

## REVIEW AND REVISION OF POLICY

Policies shall be reviewed at least every five years to ensure relevance to current practices and compliance with the Iowa Code, Administrative Rules and Regulations, and court decisions. Once the policy has been reviewed, even if no changes were made, a notation of the date of review is made on the face of the policy statement.

A Policy Review Committee shall be established to complete the required policy review process. Board member representation on the committee will be required.

It is the responsibility of the Superintendent, or designee, to keep the Board informed as to legal changes at both the federal and state levels. The Superintendent, in conjunction with the Board Secretary, will be responsible for bringing proposed policy statement revisions to the Board's attention.

If a policy is revised because of a legal change over which the Board has no control or a change which is minor, the policy may be approved at one meeting at the discretion of the Board.
