

## DISPOSAL OF OBSOLETE EQUIPMENT

School property, such as equipment, furnishings, and/or supplies (hereafter equipment), will be disposed of when it is determined to be of no further use to the school district. It shall be the objective of the school district in disposing of the equipment to achieve the best available price or most economical disposal.

Obsolete equipment or property other than real property having a value of no more than \$25,000 may be sold or disposed of in a manner determined by the board. The District will conduct periodic auctions or donate to meet educational needs of local non-profit agencies. However, the sale of equipment, furnishings or supplies disposed of in this manner will be published in a newspaper of general circulation. The publication of the sale will be published with at least one insertion each week for two consecutive weeks.

A public hearing shall be held regarding the disposal of the equipment with a value of \$25,000 or more prior to the board's final decision. The board will adopt a resolution announcing the proposed sale or disposition and will publish notice of the time and place of the public hearing and the description of the property will be in the resolution. Notice of the public hearing will be published at least once, but not less than 10 days and not more than 20 days, prior to the hearing date. Upon completion of the public hearing, the board may dispose of the equipment.

### **Disposal of Obsolete Technology Equipment**

Obsolete technology equipment having a value of no more than \$25,000 may be at the discretion of the Director of Technology. A public hearing shall be held regarding the disposal of obsolete technology equipment having a value in excess of \$25,000 in the same manner as noted above.

It shall be the responsibility of the Superintendent to make a recommendation to the Board regarding the method for disposing of equipment of no further use to the school district.
