

COMPLAINTS BY CITIZENS

The Board recognizes that concerns regarding the operation of the school district will arise. The Board further believes that constructive criticism can assist in improving the quality of the education program and in meeting individual student needs more effectively. The Board also places trust in its employees and desires to support their actions in a manner which frees them from unnecessary or unwarranted criticism and complaints.

Procedures for dealing with complaints concerning programs or practices will be governed as set forth by regulation 109.0-R.
