

STATE-ENACTED OPEN ENROLLMENT PROGRAM

The Waterloo Community School District shall participate in the Open Enrollment program, both as a sending and as a receiving district. It shall be the responsibility of the Superintendent or his/her designee to review all applications for open enrollment into or out of the District under provisions of the Open Enrollment Act of 1989.

It shall be the responsibility of the Superintendent to maintain open enrollment request applications and notice forms. It shall also be the responsibility of the Superintendent to develop appropriate office procedures and administrative regulations necessary for open enrollment requests.
