

STUDENT GOVERNMENT

The student leadership council provides for student activities, serves as a training experience for student leaders, promotes the common good, gives students a share in the management of the school, develops high ideals of personal conduct, acts as a clearinghouse for student activities, seeks to interest students in school district affairs, and helps solve problems that may arise. Members of the council are student representatives who have direct access to the administration.

The principal, in conjunction with the students and licensed employees, shall set forth the guidelines for the student government's elections, operations, and other elements of the government.

Wide participation in student government will be encouraged as an excellent way of stressing the importance of active citizen involvement.
