

CONCURRENT ENROLLMENT TEXTBOOK POLICY

Concurrent enrollment is provided through a joint education service agreement between Hawkeye Community College and the Waterloo Community School District (Chapter 28E of the Iowa Code).

For concurrently enrolled students, textbooks must be provided to students in the same manner as districts provide books for other courses pursuant to Iowa Code Chapter 301(Senior Year Plus Guide, SYP 2016).

Districts are permitted to set textbook policies that distinguish between sites and delivery methods. The textbook policy must apply to both the public and nonpublic students.

- The Waterloo Community School District (WCSD) covers the cost of textbooks for students taking concurrent courses taught by WCSD staff at Waterloo Community School District locations.
- A student who chooses alternative delivery formats or site, purchase their own textbooks.
