

MEDIA CENTERS

The school district shall maintain a media center in each school building for use by employees and by students during the school day and by others as allowed by board policy.

Materials for the centers will be acquired according to board policy 603.6 Selection of Instructional Materials.

It shall be the responsibility of the principal of the building in which the media center is located, in collaboration with the media specialist of the building, to oversee the use of the materials in the media center.

It shall be the responsibility of the Associate Superintendent of Educational Services to develop procedures for the selection and replacement of both library and instructional materials, for the acceptance of gifts, for the weeding of library and instructional materials, and for the handling of challenges to either library or classroom materials.
