

EQUAL EDUCATIONAL OPPORTUNITY – GRIEVANCE PROCEDURE

It is the policy of the Waterloo Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact Gina Weekley, Director of People and Organizational Experience, 1516 Washington Street, Waterloo, IA 50702, (319)433-1873, weekleyr@waterlooschools.org.

Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint

A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the Director of People and Organizational Experience. An alternate will be designated in the event it is claimed that the Director of People and Organizational Experience or Superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within 180 days of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The Director of People and Organizational Experience shall assist the Complainant as needed.

Investigation

Within 15 working days, the Director of People and Organizational Experience will begin the investigation of the complaint or appoint a qualified person to undertake the investigation. If the Complainant is under 18 years of age, the Director of People and Organizational Experience shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

- A request for the Complainant to provide a written statement regarding the nature of the complaint;

- A request for the individual named in the complaint to provide a written statement;
- A request for witnesses identified during the course of the investigation to provide a written statement;
- Interviews of the Complainant, Respondent, or witnesses;
- An opportunity to present witnesses or other relevant information; and
- Review and collection of documentation or information deemed relevant to the investigation.

Within 60 working days, the Director of People and Organizational Experience shall complete the investigation and issue a report with respect to the findings.

The Director of People and Organizational Experience shall notify the Complainant and Respondent of the decision within 5 working days of completing the written report. Notification shall be by U.S. mail, first class.

Decision and Appeal

The complaint is closed after the Director of People and Organizational Experience has issued the report, unless within 10 working days after receiving the decision, either party appeals the decision to the Superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The Director of People and Organizational Experience shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within 30 working days, the Superintendent shall affirm, reverse, amend the decision, or direct the Director of People and Organizational Experience to gather additional information. The Superintendent shall notify the Complainant, Respondent, and the Director of People and Organizational Experience of the decision within 5 working days of the decision. Notification shall be by U.S. mail, first class.

The decision of the Superintendent shall be final.

The decision of the Superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law.

This policy and procedures are to be used for complaints of discrimination, in lieu of any other general complaint policies or procedures that may be available.

If any of the stated timeframes cannot be met by the district, the district will notify the parties and pursue completion as promptly as possible.

Retaliation against any person, because the person has filed a complaint or assisted or participated in an investigation, is prohibited. Persons found to have engaged in retaliation shall be subject to discipline by appropriate measures.
